Why Medill Journalism?

Setting the standard for journalism education for more than 100 years.

Journalism plays a critical role in our world, and we're proud to lead the way in preparing the next generation of journalism leaders.

At Northwestern, we combine the rigors of a top-10 research university with enduring journalism skills and values and technology expertise essential for you to thrive in today's media landscape.

Diversity, Equity & Inclusion

diverse backgrounds and support them so they may thrive in our community.

Diversity, equity, and inclusion (DEI) are also essential to the professional skills we teach in preparing our students for careers in media.
